Vice Commodore : No report

Rear Commodore:

Rear Commodore Bidwell reported that the previous work party was a success. Also, the insurance list is scheduled to be updated shortly and a controlled burn will be held by the local fire department as soon as a permit is obtained.

House report: None

Bar report: None

Dockmaster: Lou Bodine stated that there will be no temporary docks posted due to the docks under construction.

Yardmaster Bobovecz announced the recent work party was a success.

Fleet Captain: Mark announced that a Father's Day Breakfast will be held and that a Spaghetti Dinner is slated for August 23<sup>rd</sup>.

Sickness and Distress:

Len Field had been hospitalized last week. Also, Diane Hanas lost her mother recently and Jackie Walker's uncle passed away.

Old Business: None

New Business:

Frank Martin asked about the status of the CBC gate. It will need a new electric line that is to be installed with the electrical update for the new wall. In the meantime, please manually close the gate if you are the last one out in the evening. Also, please be sure that all water spigots are secured to prevent accidental breakage.

Commodore's Report:

The parts to complete the electrical upgrade for the new and existing docks on the West wall are being ordered.

Our contractor will complete final grading as soon as the conduit is installed.

Some sidewalk work is being planned and we thank the Port Authority for disposing of the removed concrete from the old sidewalks.

The Commodore announced that a \$300 assessment for seawall replacement and repair will be due on August 1, 2018.

Membership:

Peggy Tuttle was approved for Permanent membership by a vote of the members present

Donald Luknis, Russell Snyder, and David Lesperance were approved for Probationary membership by a vote of the members present.

Motion by Fritz Bodine, second by Baker for adjournment.
